

19. offene Gasballon - Landesmeisterschaft des DAeC LV NRW
in Gladbeck - Wittringen 18th – 21th of April 2014
Easter weekend

Invitation

Dear Gasballoonpilots,

the German Aero Club Northrhine Westphalia hosts this gasballoon event.
Admitted are 15 gasballoons with a maximum volume of 1000m³ / balloon.

The launch is planned for **Friday night, 18th of April 2014** on the Gasballoon Launchfield in Gladbeck – Wittringen.

We are planning to make a flight until the next evening. Maximum duration will be 15- 20 hours.

The entry fee is 100.00 EURO / balloon because of sponsorship from the German Aero Club NRW.

The entry fee includes:
Hydrogen, launch field costs, sand, catering around the clock, weather briefing and organization

We hope that the weather god will help us to host this event with good weather conditions. We will decide 24 hours before opening the field either we can launch the event or either delay it to another date. We want to avoid an unnecessary trip to Gladbeck.

Please send your registration form until 4th of April 2014.

“Glück ab und Gut Land“

Wilhelm Eimer

Chairman of the Ballooning Commission
Deutschen Aero Club Landesverband NRW
