

DEUTSCHER AERO-CLUB
LANDESVERBAND NORDRHEIN-WESTFALEN e. V.

20. offene Gasballon - Landesmeisterschaft des DAeC LV NRW
in Gladbeck - Wittringen 22th – 25th May 2015

Invitation

Dear Gasballoonpilots,

the German Aero Club Northrhine Westphalia hosts this gasballoon event.
Admitted are 15 gasballoons with a maximum volume of 1000m³ / balloon

The launch is on **Friday night, 22th of May 2015** on the Gasballoon Launchfield in Gladbeck – Wittringen.

We are planning one competition flight.

The entry fee is 50.00 EURO / balloon because of sponsorship from the German Aero Club.

The entry fee includes:
Hydrogen, launch field costs, sand, catering around the clock, weather briefing and organization

We are hoping that the weather god will help us to host this event with good conditions in the air.
We will decide 24 hours before opening the field either we can launch the event or either delay it to another date. We want to avoid an unnecessary trip to Gladbeck.

Please send your registration form until 17th of May 2015.

“Glück ab und Gut Land“

Wilhelm Linsen

Chairman of the Ballooning Commission
Deutschen Aero Club Landesverband NRW
